

IMC RARE EARTHS LTD

Cookie Policy

Last updated: 25th July 2026

This Cookie Policy explains how IMC Rare Earths Ltd (the “**Company**”, “we”, “us” or “our”) uses cookies and similar technologies on the IMC Rare Earths website located at imcrareearths.com (and any related or staging sub-domains) (the “Site”). It should be read together with our Privacy Policy.

1. What Are Cookies?

Cookies are small text files placed on your device when you visit a website. They are widely used to make websites work, to make them more efficient, and to provide information to the site's operators. Similar technologies (such as pixels, tags and local storage) perform comparable functions; in this policy we refer to all of them as “cookies”.

2. Types of Cookies We Use

We use the following categories of cookies:

- **Strictly necessary cookies** — required for the Site to function and to provide core features such as security, network management and accessibility. These cannot be switched off in our systems.
- **Performance and analytics cookies** — help us understand how visitors use the Site (for example which pages are visited most often), so we can measure and improve performance. These may be set by us or by third-party analytics providers such as Google Analytics.
- **Functional cookies** — allow the Site to remember choices you make (such as language or region) to provide enhanced, more personal features.
- **Targeting / advertising cookies** — may be set to build a profile of your interests and show relevant content.

3. Third-Party Cookies

Some cookies are placed by third parties that provide services to us, such as website hosting and analytics providers (for example the Site's hosting platform and Google Analytics). These third parties may process data in accordance with their own privacy and cookie policies, which we encourage you to review.

4. How to Manage Cookies

When you first visit the Site you may be presented with a cookie banner allowing you to accept or manage non-essential cookies. You can also control cookies through your browser settings — most browsers let you refuse or delete cookies. Please note that if you disable certain cookies, some parts of the Site may not function properly. For more information on managing cookies, see your browser's help pages or aboutcookies.org.

5. Do Not Track

Some browsers offer a “Do Not Track” signal. Because there is no common industry standard for responding to such signals, the Site does not currently respond to them differently. This may change as standards develop.

6. Changes to this Policy

We may update this Cookie Policy from time to time to reflect changes in the cookies we use or for other operational, legal or regulatory reasons. The “Last updated” date above indicates when it was last revised.

7. Contact

Questions about our use of cookies may be sent to legal@imcrareearths.com or IMC Rare Earths, Ltd., Avenida Ibirapuera, 2.033, Sala 2.02, São Paulo, Brazil.
